

Good Morning Year 2! How are you all today? The weather was lovely yesterday so I enjoyed a nice walk in the park with my housemate. I saw some really cute fluffy ducks. Did you do anything nice?

Today, I am going to start off with a bit of exercise. I really enjoy Joe Wicks' workout. Can you join in too? At 9am, you can follow his workout on his YouTube channel. If you miss it, you can do this one...

Now, it is time to think about our wonderful writing.

I have loved reading your super sentences over the past few weeks. You have used **adjectives**, **adverbs** and **expanded noun phrases** to make your writing sparkle.

Instead of writing, *An owl hooted.*

You wrote, *An elegant, snow-white owl hooted loudly.*

Today, I want you to be like me, a teacher, and make my boring sentences better using everything that we have worked on recently.

1. A boy shouted.
2. My uncle sneezed.
3. The teacher talked.
4. A dog barked.
5. A bat swooped.

adjective

adverb

expanded noun phrase

Practise your typing, by emailing me your best sentence to earn 3 Dojos.

Our final task is PSHE

Today, we are going to be thinking about how other people might feel right now. Not being able to go to school or see our friends can make us feel a bit sad or down. So, we need to know how to cheer ourselves and others up! What things do you do to make yourself feel better? I know, I love ringing my friends for a chat. Mrs Martin bakes a cake when she is feeling a little down and Mrs Potter loves to go for a walk to cheer herself up.

I want you to create a poster to help other people, so that they know what they can do to cheer themselves, or somebody else up. Have a look at these activities for ideas.

Get creative and email me a picture of your lovely work! You might even design your poster on the computer!

Every poster I receive will earn 5 dojos and my favourite will get a prize when we are back in school. Good luck!

Fantastic work today Year 2! I am really excited to see your posters.

Remember, if you have any problems you can email me on our year 2 email address.

Don't forget to read some of your book today, get some fresh air and practise your challenges.

Have a great day.

Miss Pylypiak-Clancy 😊
