Friday 22nd May

What a busy week helping the Kindness Elves you have all been amazing. You have all definitely filled your buckets. Even though our kindness week is over, we need to carry on the mission and try and do something kind every day.

Molly and I planted some sunflowers seeds on Tuesday night. We are having a competition to see who can grow the tallest sunflower. Molly keeps forgetting to water hers so I think I will win. Why don't you plant some seeds, be kind and look after the seed to help it grow.

Have you ever thought about what a seed needs to grow? Topsy and Tim planted some sunflower seeds.

Where did they plant the seed? What do you think a seed needs to grow? Can you make me a poster to tell me what a seed needs to grow?

If you get stuck on the word, write them on a piece of paper and put them around the room. No more than 5. Can someone say the word out loud and you run to the word read it and spell it out. Get a point for everyone you get correct.

When reading your book with an adult see if you can find the kite challenge words. Can you find all ten from your kite challenge?

Since January, Molly and I have been keeping a jar of memories. Not the year we expected but we are still enjoying using it as we are making lots of happy memories. Every time Molly has an enjoyable day, she writes it down on a piece of paper and puts it in the jar. On New Year's Eve, 31<sup>st</sup> December, the last day of the year we open the jar and read our memories. So far this year she has written a note about learning to ride a bike, staying up late to look at the stars and making a dolls house out of boxes.

Using boxes around the house what can you make? Here are some ideas.

Over half term some of you will be celebrating Eid. I hope you have a lovely day. You could even make an Eid card. We made this one last year by cutting the shapes out of different types of paper.

I hope you all have a lovely day. Mrs Macdonald
