

## Blowers Green Primary: School at Home – Reception

Tuesday 12<sup>th</sup> May

E-mail: [reception@blowers.dudley.sch.uk](mailto:reception@blowers.dudley.sch.uk)

Good morning everyone. I hope you are all happy and well.  
Thank you for the work that was sent to me yesterday.  
You are working really hard and I am proud of every one of you.

For today's physical activity we need to draw Forky from Toy Story 4. Click on the link below and see if you can follow the instructions.

<https://www.youtube.com/watch?v=T80TAOWFwoA>

### Hide and Seek

1. Draw Forky on a piece of paper and get an adult to help you cut him out.

2. One player hides Forky while everyone else closes their eyes.

3. Open your eyes and hop your way around the room to try to find Forky.

4. The player who finds Forky is the winner.

5. Everyone celebrates with 10 star jumps. Let the winner take a turn to hide Forky and play again!

### Phonics

Enjoy reading these silly questions, answer them yes or no. If you are right, the dinosaur will get some food.

## Reading

Enjoy a story together. Can you find any of your kite challenge words? If you can read and write all the words, try and put them in a sentence. I know all my kite challenge 2 words, so I wrote this sentence.

They went for a

run in the park.

## Number

Playing a board game is lots of fun and it helps us learn how to add numbers together. If you have a board game at home play it. If you don't it is easy to make one.

You will need a pair of dice and two counters to play this game. Frog players take it in turns to throw the dice, add the numbers together, then move on that number of spaces. The winner is the frog who joins the Frog Prince in

his frog palace first. You can either print the game off below or make it yourself. If you don't have a dice, write numbers 1 -6 on separate pieces of paper and put them in a bowl. Pick out two numbers and add them together.

I hope you have a lovely day. Stay safe and keep smiling.

Mrs Macdonald
