

Blowers Green Primary: School at Home – Reception

Wednesday 13th May

E-mail: reception@blowers.dudley.sch.uk

Hello reception children, I hope you are all ok. It has been lovely talking to so many of you on the phone. I think some of you were shocked that I had phoned to speak to you.

It's Wednesday today I think we need to practice our dancing. Molly and I enjoy this dance, some of the moves are a bit tricky, but we make up our own moves. <https://family.gonoodle.com/activities/believer>

Reading

Click on this link to hear the story of 'What The Ladybird Heard'. It is one of my favourite stories. After you have listened to the story, draw all the animals you can remember. Can you have a go at writing the name of each animal?

Crafts

Find things from around the house and see if you can make a ladybird. You can use anything but remember the ladybird in the story is red and black and has 6 legs. Send me a picture and I will share them on the home learning page.

Phonics

Today we are learning a new sound. It has the letters **e a r** if we put them together, **ear** do you know what sound it makes? Watch the clip and then see if you can write words with the ear sound.

What can you hear?

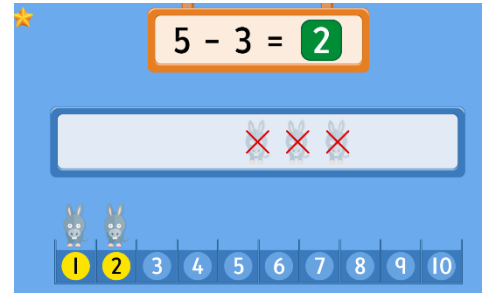

For this challenge you need to use your ears to listen. You have to be quiet for 2 minutes. On a piece of paper can you write or draw all the sounds you can hear. Do this with someone else - do you hear the same things? You can do this inside or outside. Click on the link for a two minute timer. <https://www.youtube.com/watch?v=48z7nQaehWI>

Number

I hope you enjoy this subtraction game. Don't forget that when you take away the number gets smaller. Can you get 10 out of 10.

Make sure to practice writing your numbers to 20. Watch out for that tricky number 5, is it the right way round? Look below to check you are writing your numbers correctly.

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

I hope you enjoy these activities. Don't forget to email me lots of pictures.
