E-mail: [reception@blowers.dudley.sch.uk](mailto:reception@blowers.dudley.sch.uk)

Good morning all. I hope you are all well.

Let's start the day off with a smile and get our bodies moving. Can everyone in your house try and follow these dance moves?

Sending out Friday hugs to everyone who needs one!

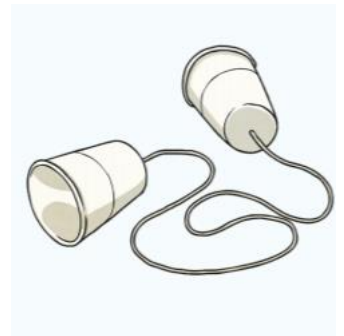

## Make Your Own Phone

When Mrs Macdonald was 4, mobile phones did not exist! I enjoyed making string telephones. You will need to find some yoghurt pots or plastic cups and string. Make your own telephone by asking an

adult to make holes in the bottom of the yoghurt pots and thread the string through. Send a message down the phone to someone in

another room. One person talks the other one listens. It works better if the string is stretched as straight as it can go. Ask a question for the other person to answer.

## Phonics

Today we are going to learn the phoneme **er**. Watch this clip first so we know what sound it makes.

er

# Solving Problems - Doubling

## Home Learning Challenges

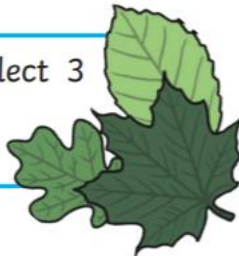

If a ladybird has 4 spots on one side and 4 spots on the other side, how many does she have in total?  
Double 4.

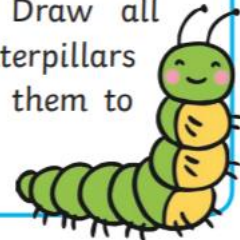

Collect 9 sticks. If you found 9 more, how many would you have altogether?

Collect 3 leaves outside. Collect 3 more. How many do you have altogether?

Draw 7 caterpillars on a large leaf. Double the amount. How many caterpillars are there in total? Draw all the caterpillars and count them to check.

## Story Time

It's good to keep talking about how we are feeling. So here is our Colour Monster. <https://www.youtube.com/watch?v=Ih0iu80u04Y>

After listening to the story can you draw your own colour monster of how you feel today? Share you colour monster with an adult and talk about your feelings.

Have a lovely weekend. Don't forget to tidy up your toys after you have played with them. A dojo point for you if your adult emails me to tell me you have tidied your toys away.

Stay Safe
