Good morning Class !!

We hope you enjoyed yesterday's home learning. We loved seeing all the amazing things your favourite crayons could colour.

As always, we are looking forward to seeing or hearing about what you do today, but most of all, we are looking forward to hearing about what fun things you have been up to over the weekend, so make sure to draw picture, take a photograph or write a sentence to send to us.

Below, are some more fun and exciting activities for you to enjoy at home today.

Have another lovely day and a fun weekend,

Mrs Potter and Miss Starrs.

Start the day by practising your days of the week with this fun song:

<https://safeYouTube.net/w/T97K>

Can you write down the days of the week in the correct order?

Subject	Task:										
Literacy	<p>Today, I would like you to write a poem titled:</p> <p style="text-align: center;"><u>The Colours</u></p> <p>First, you will need to think of some objects to match each of the colours below. A little bit like you did yesterday. I have added a few ideas to help you.</p> <table><tr><td>Red</td><td>Yellow</td><td>Pink</td><td>Blue</td><td>green</td></tr><tr><td>rose ladybird</td><td>sun banana</td><td>candyfloss flamingo</td><td>sky blueberries</td><td>grass frog</td></tr></table> <p>Then, you will need to write a sentence for each colour to form your poem. Like the one below.</p> <p style="text-align: center;"><u>The Colours</u></p> <div></div> <p style="text-align: center;">Red is like a ladybird.</p> <p style="text-align: center;">Yellow is like the bright sun.</p> <p style="text-align: center;">Pink is like a tall flamingo.</p> <p style="text-align: center;">Blue is like the deep sea and sky.</p> <p style="text-align: center;">Green is like the green grass and a frog.</p> <p>You can write as many lines as you want, but make sure each one is about a different colour.</p> <p>If you want to, you could add some interesting adjectives or the conjunction 'and' like I have above.</p> <p>The best poems will be sent to Mrs Adams.</p>	Red	Yellow	Pink	Blue	green	rose ladybird	sun banana	candyfloss flamingo	sky blueberries	grass frog

## Numeracy

Here is 100 Square. You can use it to count from 1-100.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Let's try using it to help us count. It is a good idea to point to every number as you say it.

First, find the number 13, can you count from 13 to 27?

Now, count from 28 to 41.

Super, you have just counted forwards. You know when you are counting forwards because the numbers get bigger.

Now look how the numbers are arranged.

Which number is between 11 and 13?

Which number is between 27 and 29?

Today, I would like you to use the 100 squares to find the mistakes in my number sequences.

Look at this:

13, 14, ,16, 17, 18, 19, 20

Counting along the rows, I can see that 15 is missed out, did you notice that mistake too? Look below to find your questions. Do as many as you can.

<b>Phonics</b>	<p>Choose a game you want to play for your phonics phase and spend 10 minutes practising your sounds.</p> <p><a href="https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds">https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds</a></p>
<b>Reading</b>	<p>Below, I have attached a poem called 'What is pink?'. It is a lovely poem, and similar to the ones we have been writing today. I would like you to read it twice, then if you can, have a go at answering the questions. If you want to, you could write a poem in this style. I'm sure Mrs Adams would be really impressed if you did, she might even give you one of her sparkly stickers.</p>

## Topic: ICT

Today we are going to practise our ICT skills.

Login to purple mash. Then follow this sequence to complete your task:

1. Click on the computing icon.

2. Click on the 2Code icon.

3. Click on the 'fun with fish' icon.

Now, learn how to make the fish move in different directions.

Learn how to make the fish move in different directions.

#### 1: Move the tuna right

Make the tuna fish move right.

#### 2: Move the crab left

Make the crab move left.

#### 3: Broken fish tank screen saver

Fix the program so the fish move left and right.

#### 4: Your own fish program

Use design mode to add more fish. Try adding click events so the fish don't start moving until you click them.

# What is Pink?

**By Christina Rossetti**

- 7 What is pink? A rose is pink  
11 By the fountain's brink.  
17 What is red? A poppy's red  
21 In its barley bed.  
28 What is blue? The sky is blue  
33 Where the clouds float through.  
40 What is white? A swan is white  
44 Sailing in the light.  
50 What is yellow? Pears are yellow,  
55 Rich and ripe and mellow.  
62 What is green? The grass is green,  
66 With small flowers between.  
72 What is violet? Clouds are violet  
76 In the summer twilight.  
82 What is orange? Why, an orange,  
85 Just an orange!
