

Thursday 25th June

E-mail: reception@blowers.dudley.sch.uk

Good morning reception. I have loved seeing all your superhero work this week. Supertato has made lots of friends. Introducing Super Spinach, Super Pepper and Super Banana! I hope together they can catch the Evil Pea

Friday's home learning page will have your superhero drawings on. If you want to see your superhero, make sure you send me a picture before 12 o'clock today.

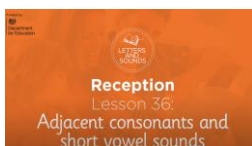

Follow these steps and see if you can draw another superhero. Don't forget to design your outfit. What colour will your superhero wear? Has your superhero got a name?

Today we are going to develop our superhero powers. We are going to use superhero listening skills. Can you follow the moves? <https://safeYouTube.net/w/v9qM>

Phonics

This lesson is for you, if you know all your sounds and need to practice blending for reading.

<https://safeYouTube.net/w/DaQM>

This lesson is to help you learn all your phase 3 sounds.

<https://safeYouTube.net/w/IbqM>

Remember you only need to choose one.

Number

This story is about Ten Little Superheroes.

<https://safeYouTube.net/w/F3tM>

If you can't download this book can you find a story book with numbers in and read it with an adult?

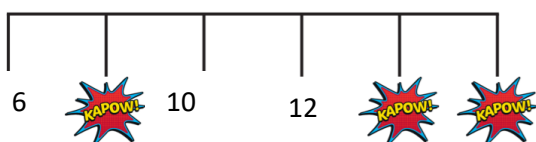

Send me a picture of the book. I love being introduced to new stories.

Number Challenge

Superhero-Themed Maths Challenge Cards

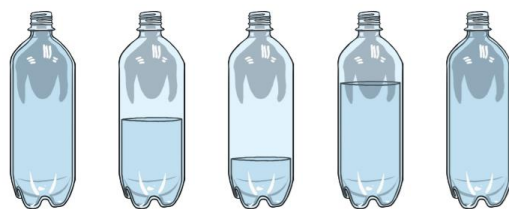

4. Which numbers are hiding behind the pictures?

Which number did you fill in first? Why?

Superhero-Themed Maths Challenge Cards

12. Professor Skull has made a new potion to weaken superheroes! He says that this potion is the one in the bottle that is half full. Which is his potion?

Potato Prints

Create superhero-like art by printing with potatoes!

Use different colours to make patterns. You might want to gather different vegetables to print with.

Grown-ups, please help your child to cut potatoes in half. Talk about the size and shape of the print the vegetables make, e.g. a carrot, a circle - a big circle

at the top and a

little one if we use the bottom. Find some paint and some paper to print on. Get printing! Talk

about the position, printing in

groups, use of colour, shape

and how much space between

your prints. When you have

had fun exploring the

printing look closer to see if you can make some patterns.

Maths Area

Can you make a repeating pattern?

Ask another superhero if they can work out how to finish it.

twinkl.co.uk

printing look closer to see if you can make some patterns.

Superhero Challenge

Find out what special powers the people in your family would like to have if they were superheroes.

Draw a picture of your family and write what superpowers they want. Can you design them a superhero costume?

Molly's Grandpa wishes he had the superpower to fly.

Have a lovely day. Don't forget to carry on learning how to say hello my name is ... in sign language. I have 100 Dojo points to give to all videos sent to me.
