

Good Morning Year 5

How are you all? Did you have a good weekend? I hope you all did, and I can't wait to hear all about it.

Let's start our Monday mornings by joining Joe Wicks for P.E.

After that, we have maths.

You will need to apply the strategies below so that you can add and subtract mentally. Look at the 4 strategies to help you add and subtract mentally. Choose the most appropriate one for each question and **USE** these to help you answer the questions below.

Choose your chilli challenge below.

Our next lesson is English.

Study the picture then read the story starter below. Firstly, answer the sentence challenge then answer the questions.

Story starter!

This was their favourite time of day to fly.

As the glowing, crimson sun dipped down below the vast horizon, retreating to allow night to take its place, the dragons took flight.

The sky looked beautiful: wisps of pillow-like clouds seemed to part in front of them as they flexed their powerful wings. Like sails from ancient ships, the wings beat in the dying embers of the sun's fire, embracing what little warmth remained. Thousands of tiny scales that covered the beasts' bodies glistened like rubies in the dazzling light.

As they reached full speed, leaving the world far beneath them, they almost grinned as they thought about where they were going. There would be others like them there. It would be paradise...

Sentence challenge!

A simile is a way of describing something by comparing it to something else, often using the word "like" or "as."

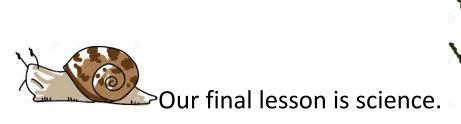

Can you identify all of the similes in my writing?

Can you think of your own similes to use in your writing?

You could experiment using metaphors, or even personification to make your writing really exciting to read!

Question time!

- Where are the dragons heading?
- What is 'paradise'? Why are they looking forward to it so much?
- Are these the only 3 dragons that exist, or are there more?
- Where have the dragons come from? Where is their home?
- If you had a pet baby dragon, how would you look after it?

Over the past few weeks, I have really enjoyed watching spring watch on BBC. This year the theme of spring watch was nature at home.

You can catch up on the videos on here

https://www.bbc.co.uk/programmes/b007qgm3

I would like you to investigate the wildlife outside of your home.

I would like you to create a wildlife survey about all the wildlife you can see in your garden or outside your house.

Your survey could look like something like this.

Date	Wildlife spotted	Where
Example 29.6.20	Robin	On top of garden
		fence.

Then I would like you to think of some ideas of how you can improve the wildlife in your area.

Ask yourself these kinds of questions:

What kind of wildlife did I find?

What would I like to see?

How could I make my environment support their habitats?

I would love to see or hear of any work that you have completed. Hope you have a lovely day and remember to complete your daily reading.
