

Good Morning Year 5

Let's start our day with yoga. Start your day by completing some Cosmic Kids yoga. Find a yoga video that you would like to do today.

Next up is maths.

You will need to apply the strategies below so that you can add and subtract mentally. Look at the 4 strategies to help you add and subtract mentally. Choose the most appropriate one for each question and **USE** these to help you answer the questions below. Try not to use a written method. It may help you to make jottings or to write the strategy that you used to help you solve the problem.

TARGET To develop strategies to +/- numbers mentally.			
<i>Examples</i>			<i>+/- Multiples of 10 and Adjust</i>
Partitioning	Near Doubles	Counting Up	$245 - 78$
$227 - 74$	$25 + 27$	$603 - 387$	$245 - 80 + 2$
$227 - 70 - 4$	$(25 \times 2) + 2$	$387 - 400 = 13$	$165 + 2$
$157 - 4$	$50 + 2$	$400 - 603 = 203$	Answer 167
Answer 153	Answer 52	Answer 216

Our next lesson is English.

Today we are going to be revisiting, fronted adverbials. To refresh your memory on what is a fronted adverbial watch this short video. <https://safeYouTube.net/w/Z1HL>

Then answer the questions below. Each question gets harder each time so make sure you read the question carefully.

2a. Insert a comma after the fronted adverbial in the sentence below.

On a Monday evening my children both have dancing lessons with different teachers.

3a. True or false? The adverbial used in the sentence below is an adverbial of frequency and can be moved to the front of the sentence.

The mouse was frequently seen running around in the kitchen, avoiding the cat.

4a. Identify which adverbial in the sentence below can be moved to the beginning of the sentence.

It's really important to eat more carbohydrates than usual before a big race as the muscles in your body will store more energy allowing for plenty of exercise.

2b. Insert a comma after the fronted adverbial in the sentence below.

Before long the lost dog returned unharmed to his relieved owner.

3b. True or false? The adverbial used in the sentence below is an adverbial of frequency and can be moved to the front of the sentence.

My sister is usually in trouble when she sulks in her bedroom and ignores everyone.

4b. Identify which adverbial in the sentence below can be moved to the beginning of the sentence.

Melanie had wanted a promotion in the company for a long time although it was unlikely to happen now as her new manager wasn't very fond of her.

The final lesson is French.

Today I want you to practise saying words in French. Today we are going to be looking at vocabulary associated with school. Click on the video below and repeat each word that Alexa says in French.
